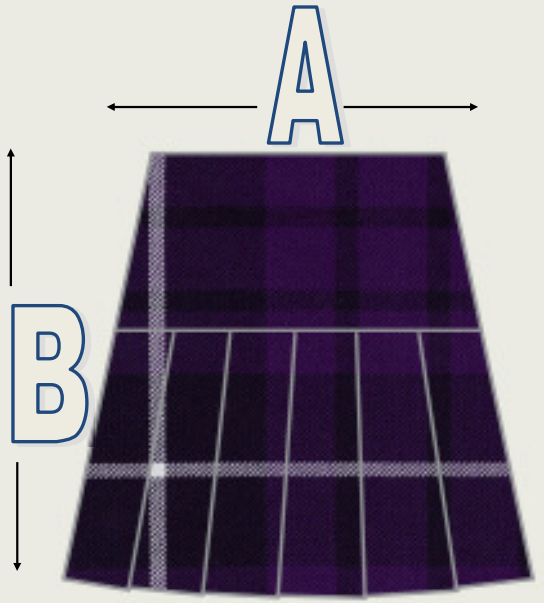
SIZE CHART

The measurements given are the measurements of the actual garment in that size. To decide which size to order we suggest you take a garment that currently fits and take the measurements shown on the diagrams. Compare these with the sizing chart to see which size matches closest and, of course, you should allow room for growth. Please note however, that as with all garment specifications, the garment may be 2cm larger or smaller than indicated.



PLEATED SUIT SKIRT
